INAUGURAL PPC FESTIVAL SHOOT in GAUTENG

A Festival Shoot has been announced for PPC shooters that will take place at Alberton Sports Shooting Club on Saturday, 18th November, 2018.

This new One-day event is meant to give PPC shooters the opportunity to enjoy a great day out and it will also present a challenging program of events that will test the metal of most PPC shooters.

The Festival Shoot can only accommodate a very limited number of shooters, due to time constraints, so this will be a "First-come, First Served" event, so please enter early and pay your Entry Fee early to be considered...

Why A Festival Shoot?

It is never easy to organise a Fun Shoot, for some reason competitive shooters seem to frown upon Fun Shoots, so to get the crowd rocking, this Festival Shoot dangles a sweet carrot – CASH Prizes are on offer.

All the Entry Fees will be ploughed back in Cash Prizes, so the Top Gun will earn so deserved recognition and some real cash.

Entry is open to all SAPF members who are prepared to travel to Gauteng to participate, and there will be only ONE Prize per Individual event, although the Individual Matches will cater also for class-based prizes, so everyone has a chance to win Cash in this Festival Shoot.

The Events offered will be as follows:

- o One (1) 1500 Match;
- o One (1) 600 HWG Match;
- o One HWG 600 Two-man Team Match;
- o One 60 shot Two-man Team Match.

Shooters to make their own Lunch arrangements, and the event will not stop for lunch, so shooters must be organised and prepared to shoot when squadded.

A Squadding list will be circulated in advance once all entries have been received.

It is anticipated that up to 30 individual entries can be accommodated and only 10 2-man teams for each of the two (2) team events can be catered for.
